From Ideas to Impact

Time Management Training for Sajid Textile Industries

We recently conducted a powerful Time and Productivity Management session led by our expert trainer, Mr. Talib Mirza. The session delivered actionable strategies to boost efficiency and master time at work.

A Day With HR" at MAJU

The CV writing session empowered participants with practical tools to craft professional, ATS-friendly resumes that stand out in today's competitive job market. Attendees left with greater confidence, clarity, and a stronger personal brand

Tech Talk event on 'Engineering Entrepreneurship

This event provided students with real-world insights, entrepreneurial mindsets, and actionable guidance from leading industry experts. It bridged the gap between academia and industry, inspiring future engineers to think beyond traditional roles and explore innovative career paths.

Workshop on "Price Adjustment Formula and Contract Management"

Empowered participants with practical knowledge and tools to navigate complex contract terms and apply accurate pricing adjustments in real-world scenarios. Attendees gained clarity on legal frameworks, risk mitigation strategies, and cost control techniques, enhancing their ability to manage contracts more effectively

Logix Solutions has signed an MoU with PEC

To empower the next generation of engineers. Through this collaboration, Logix will offer exclusive internships and career opportunities to PEC-registered engineers—bridging the gap between education and industry, and driving professional growth across Pakistan.

Client Testimonials

Logix Solutions' recruitment services were highly satisfactory, with the HR team understanding our needs and finding qualified candidates who fit our company culture. Their professionalism and attention to detail made the hiring process seamless, resulting in a talented team.

Logix Solutions was able to accommodate our needs while still delivering high-quality results on schedule. We've been implementing the new structure for two months now, and we can simply assess how motivated our staff are by the new adjustment.

Logix Solutions delivered an exceptional training session on Time and Productivity Management for our team. The content was practical, engaging, and tailored to our work environment. Our employees left the session motivated and equipped with strategies to improve efficiency and time management.

Partnering with Logix Solutions for our recruitment needs was a game-changer. Their team understood our requirements perfectly and delivered highly qualified candidates with impressive speed and professionalism.

Logix Solutions provided us with top-tier recruitment support, helping us find the right talent quickly and efficiently. Their understanding of our technical requirements and company culture was spot-on. The process was smooth, professional, and delivered excellent results. We're glad to have partnered with Logix Solutions for our hiring needs.
