OUR TRAINING METHODOLOGY

We begin by understanding your organization's objectives, workforce challenges, & skill gaps through discussions with stakeholders, HR teams, & management.

1. Customized Program Design

Based on the assessment, our experts design a customized training framework tailored to your industry, organizational culture, and participant profiles.

Includes:

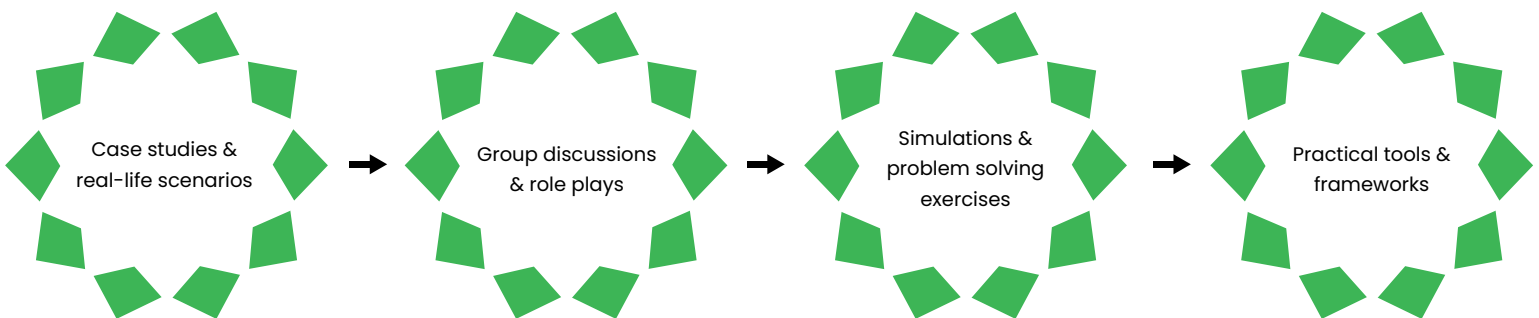

Outcome: Highly relevant and engaging training experience

2. Interactive & Experiential Delivery

Our training sessions are highly interactive and experiential, ensuring active participation and maximum knowledge retention.

Includes:

Outcome: Enhanced engagement and practical skill development

3. Knowledge Application & Skill Practice

Participants are encouraged to immediately apply concepts through exercises, activities and workplace-oriented assignments during the training

Outcome:

- Improved confidence
 - Immediate on-the-job application
-

4. Assessment & Performance Evaluation

We assess learning effectiveness through pre and post-training evaluations, quizzes, activities and participant feedback.

Outcome:

- Measurable learning outcomes
 - Clear visibility of skill improvement
-

5. Feedback & Management Reporting

Post-training, we share structured feedback and recommendations with management and HR teams to support continuous improvement.

Includes:

Outcome: Data-driven training decisions

6. Certification & Recognition

Participants receive certificates of completion. Where applicable, programs are delivered with SDCC-approved international certification, enhancing professional credibility.

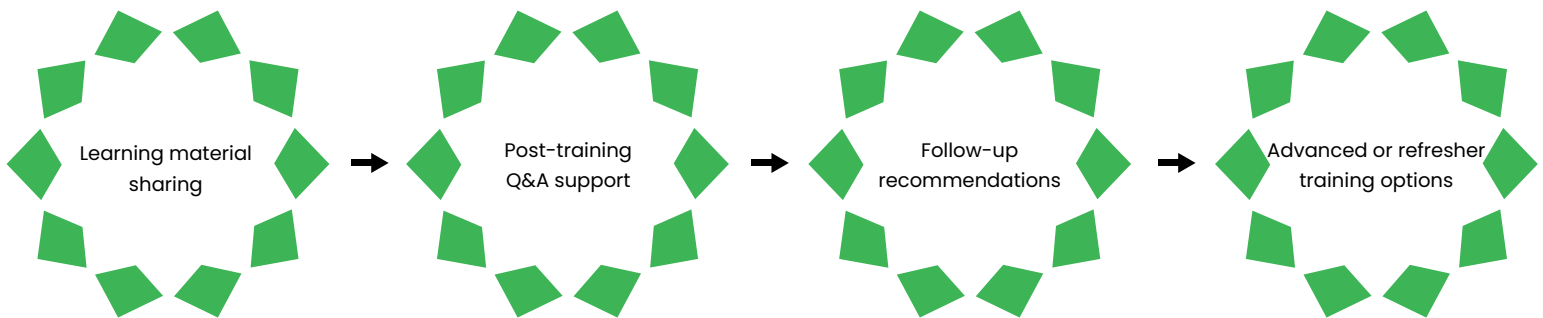

Outcome: Increased motivation and recognition

7. Post-Training Support & Continuous Learning

Our partnership does not end with the training session. We provide ongoing support to reinforce learning and sustain results.

Includes:

Outcome: Long-term skill retention and performance improvement

WHY THIS METHODOLOGY WORKS?

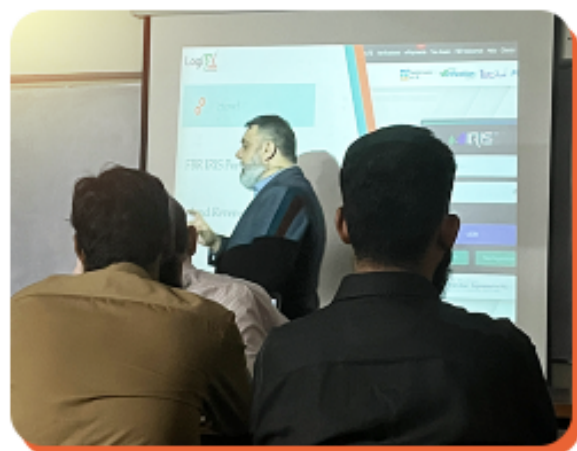

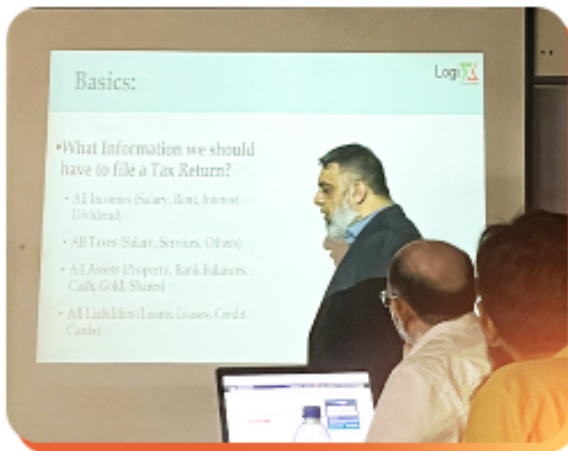

- ✔ Business-aligned training
- ✔ Engaging learning experience
- ✔ Practical & measurable outcomes
- ✔ Customized to organizational needs
- ✔ Focused on performance, not just theory

PAST TRAININGS
HIGHLIGHTS & IMPACT

INDIVIDUAL ANNUAL TAX RETURN & E-FILING WORKSHOP – SOHAIL UNIVERSITY

Logix Solutions conducted a focused workshop on Individual Annual Tax Return & E-Filing at Sohail University, aimed at enabling participants to confidently understand and manage the tax filing process. The session, led by Mr. Kashif Aziz, provided practical insights and hands-on guidance on the e-filing system, equipping attendees with the knowledge to independently file their annual tax returns.

Participants gained hands-on understanding of the tax return process, developed the ability to independently file their annual tax returns through the e-filing system, and enhanced their awareness of tax compliance and documentation requirements.

TIME MANAGEMENT TRAINING FOR SAJID TEXTILE INDUSTRIES

Logix Solutions conducted an interactive training session on Time and Productivity Management for the team at Sajid Textile Industries (Pvt) Ltd. The session was led by Mr. Talib Mirza, who shared practical strategies to improve workplace efficiency and effective time utilization.

Participants developed improved time management skills, enhanced productivity techniques, and practical approaches to prioritize tasks more effectively, contributing to better individual and team performance.

PAFCM WORKSHOP – REGENT PLAZA KARACHI

Logix Solutions conducted a two-day PAFCM workshop for PWD officials in Karachi, aimed at enhancing participants' knowledge and skills in Price Adjustment of Federal Contracts and Contract Management (PAFCM). The session was led by Engr. Dr. Mahmood Ahmad Sulehri, focusing on practical application of price adjustment formulas, interpretation of contract clauses, and practical project handling strategies.

Participants enhanced their practical understanding of price adjustment formulas and contract management, strengthening their ability to manage public sector projects effectively.

EFFECTIVE CV WRITING WORKSHOP - SIR SYED UNIVERSITY

Logix Solutions successfully conducted a two-day workshop on Effective CV Writing & Interview Skills at Sir Syed University of Engineering & Technology, Karachi. The workshop was designed to equip students and young professionals with essential tools to confidently enter the job market.

Participants developed strong CVs, improved communication and interview techniques, and gained confidence to pursue career opportunities with greater clarity and professionalism.

ENGINEERING COMPETENCY & PROFESSIONAL DEVELOPMENT TRAINING – MUET, JAMSHORO

Logix Solutions successfully conducted a five-day Engineering Competency & Professional Development Program for Ladies Fund Energy Pvt. Ltd. The training was held at Mehran University of Engineering and Technology in Jamshoro and was designed specifically for female engineers, supporting their growth, confidence, and workplace readiness.

The program offered a well-balanced mix of technical skills and soft skills, helping participants strengthen their engineering knowledge while improving communication, leadership, and problem-solving abilities through interactive and practical learning activities.

The sessions were led by Dr. Salman Hameed and Mr. Yasir Zaheer, who delivered engaging, insightful, and hands-on training. Their guidance helped participants enhance their technical capabilities, sharpen their professional skills, and gain greater confidence in their roles as engineers.

- ✔ Several participants secured better roles post-certification

TRAINING SITE ARRANGEMENTS

Logix Solutions provides flexible and customized training delivery options to meet the diverse needs of organizations, ensuring maximum convenience, engagement, and learning effectiveness.

IN-HOUSE TRAINING

Conducted at your office premises, these sessions are tailored to your organization's specific objectives, industry requirements, and workforce skill levels. In-house training minimizes operational disruption while maximizing relevance and impact.

ON-SITE TRAINING

Delivered at hotels, training halls, and corporate venues, on-site programs offer a professional learning environment ideal for focused, immersive sessions. These arrangements are suitable for large groups, conferences, and specialized workshops

ONLINE TRAINING

Our interactive virtual training programs leverage modern digital platforms with real-time tools, live discussions, assessments, and collaborative activities. This option enables organizations to train geographically dispersed teams efficiently

HYBRID TRAINING

A blended learning approach that combines face-to-face interaction with digital delivery. Hybrid training offers maximum flexibility, ensuring continuity of learning while accommodating varying participant locations and schedules.

OUR COMMITMENT:

Regardless of the training mode, we ensure high-quality content delivery, experienced trainers, practical learning methodologies, and measurable outcomes aligned with organizational goals.

PARTNER WITH US FOR IMPACTFUL GROWTH

At Logix Solutions, we help organizations unlock their full potential through thoughtfully designed learning and development solutions. Our commitment lies in creating meaningful learning experiences that enhance capability, inspire leadership, and enable sustainable performance.

Join us in building agile teams, confident leaders, and a workforce ready for tomorrow.
